BigTown App

Simplifying Modern Residential Living

About

At BigTac Sdn Bhd, we're committed to using innovative technology to enhance daily life, making it simpler and more convenient. With the BigTown app, we bring that commitment directly to residents, providing them with a powerful tool to manage their daily needs from the convenience of their smartphones. Available on both Android and iOS, BigTown is transforming residential management, offering easy access to essential services and communication right at your fingertips.

What is BigTown?

BigTown is a mobile application designed to streamline and enhance residential living, connecting residents to the information and services they need with just a few taps. Whether you're managing visitor registrations, checking your maintenance bills, or staying informed about important announcements, BigTown puts control in your hands.

Key Features & Benefits of BigTown

1.

Visitor Registration Made Easy

No more long waits or paper sign-ins for guests! BigTown enables residents to register their visitors directly through the app, ensuring smooth and quick access for friends, family, or service providers. This feature enhances security and convenience, making it easier for management and residents alike to manage access to the building.

2.

Stay Up-to-Date with Announcements

BigTown keeps residents informed about the latest happenings and essential updates within the building or community. Whether it's maintenance schedules, upcoming events, or emergency notices, all announcements are instantly accessible, allowing residents to stay well-informed.

3.

Transparent Billing at Your Fingertips

Managing finances and bills has never been easier. With BigTown, residents can view their latest maintenance bills and any other outstanding charges. This transparency allows for easy tracking and timely payments, helping residents stay on top of their commitments effortlessly.

4.

User-Friendly Interface

Designed with simplicity in mind, BigTown offers an intuitive, easy-to-navigate interface suitable for all age groups. With a sleek design and straightforward options, residents can make use of all features with minimal effort, enjoying a seamless user experience that fits into their busy schedules.

Why Choose BigTown?

BigTown stands out because it's crafted specifically for the needs of residents and property managers, creating a streamlined, organized, and efficient residential environment. Its convenience and simplicity make it a valuable tool for managing daily tasks and keeping residents informed and connected.
